

## **PLAN ON ATTENDING THE 2017 ISDRA CONVENTION!!!**

The Wisconsin Trailblazers hope you can join us and help support this fun-filled weekend. We are planning an exciting weekend that will include a Friday night dinner cruise on the beautiful Wisconsin River. On Saturday we are bringing in "Mike the Mechanic" who is going to show us how to adjust and maintain our dryland bikes, rigs and scooters.

We are also having Jamie Dittmar join us and tell us how the Frank Atlla Sled Dog Youth Program is working to get the Native children excited to join a Junior mushing program. The program is named after George's deceased son at George's request. You can visit the website at [www.attlamakingofachampion.com](http://www.attlamakingofachampion.com). Jamie recently returned from Greenland where she was promoting this program. Jamie also has had many of her prize winning photos featured in Mushing and Alaska Magazines.

We will, of course, have our Medalist Panel telling us their secrets to success.

And, we are working on getting Jessie Holmes, who is featured on the TV program, Life Below Zero. Jessie lives a subsistence life style in Alaska while training his team of awesome sled dogs. Jessie just won the Kobuk 440 Sled Dog Race and is going to share his stories and outlook on life with us. We hope to see you all there!
